
Prayer Request:

Submitted by: laura - 2010-06-25 - 11:43:34

Thank you god for the great people you put in my life. Please help me follow you through out this life to love and serve you and over come my fears and anxiety. Pray for all those who are sick. Pray for all those who don't know you. That they may get to know you and to know how much love you have for us.
